DISABLE POP-UP BLOCKING

If you switch to a different browser, please disable pop-up blocking for your Insignia URL so reports and barcode/spine labels can be previewed.
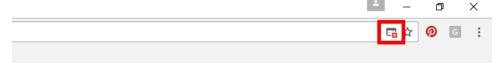

INTERNET EXPLORER

When you try to preview a report or a barcode/spine label, a preview may not appear. At the bottom of the window, select **Options for this site** and click **Always allow**.

Internet Explorer blocked a pop-up from **demo.insigniails.com**.	Allow once	Options for this site ▼	×
		Always allow	
		More settings	

GOOGLE CHROME

When you try to preview a report or a barcode/spine label, a preview may not appear. In your browser, look for the icon below and click it. In the options that appear, select **Always allow pop-ups from…** and click **Done**.

MOZILLA FIREFOX

When you try to preview a report or a barcode/spine label, a preview may not appear. In your browser, look for the icon below and click it. In the options that appear, select **Allow pop-ups for…**.
